

Featured Caller – Gary Shoemake

Gary spent many years in Texas and now makes his home in the Smokey Mountains of Tennessee.

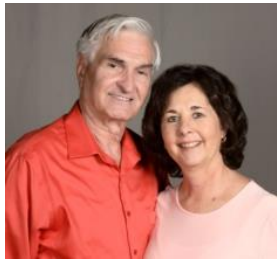

In 2000 Gary and his partners sold the English Mountain Retreat in Sevierville, TN where he makes his home. He is now traveling full time as a Caller and Caller Coach. Gary's calling dates and seminars take him nationwide.

After recording at Chaparral Records for twenty years, Gary is now recording with Rhythm Records along with Ken Bower, Jerry Haag and Marshall Flippo.

Gary started dancing and calling in Tulsa, OK in 1964. He made it his full time vocation in 1968. Gary's travels have taken him to all fifty states, Mexico, Canada, England, Scotland, Germany, Japan, New Zealand, Sweden, Denmark and Central America.

Gary has made a lot of friends over the years and his wish is to have the ability to give back to this wonderful activity a small portion of the happiness it has provided him. We are fortunate to have him.

Featured Cuers - Steve & Lori Harris

Steve and Lori began square dancing in 1986 in Colorado Springs, Colorado with Spike & Bonnie Cowlshaw. They enjoyed new friendships and had so much fun. Through square dancing they were introduced to round dancing. In 1990, they took their first round dance class in Lafayette, Colorado with Ed

and Elvira Glenn who were friendly, patient and caring teachers to all their students.

For the next eight years while living in Colorado, Steve & Lori were members of Hix n'Chix square dance club in Longmont. They also took classes from Leroy & Leona Shade, Gene & Linda Krueger and Jim & Bonnie Bahr.

Because their square and round dancing "journey" began in Colorado, they are extremely proud to be part of the staff for the 2018 Colorado State Square and Round Dance Festival!

Featured Caller – Jerry Gilbreath

Jerry lives in Albuquerque NM, where he is the caller for the Duke City Singles & Doubles Square dance club. He also runs the ABQ Sundancers as a caller-run Plus club. He has been on staff of Fun Valley for 30 years; he travels to Texas, Arizona, Colorado and Nevada to call, and has called in New Zealand, and Japan. Jerry's love for square dancing started early, when

his parents started dancing in the early '50s. He first learned to dance in 1958 in southern California, and danced until the mid-60s. He dropped out of dancing in 1966 to join the Army; after he returned home he married Mary Beth from California and started a family. In 1978 they renewed dancing, and Jerry started calling in 1979 in Las Vegas NV. They moved to Dallas TX in 1984, where they lived for 10 years and he was the caller of many clubs. In 1994 they moved to New Mexico. They own a collision repair shop in Albuquerque with their daughter, Amber. Jerry has been a member of CALLERLAB since 1980 and believes in the program. We are lucky to have Jerry join the 2018 Colorado Festival team.
